

# ATTENTION

**The pedestrian bridge connecting Tarrson Hall and Dogwood Deck is under construction and not accessible. UNC-CH Adams School of Dentistry patients should use one of the following options to access the school.**

**1. Park in Dogwood Deck and walk to the school.** Take the elevators to the ground level of Dogwood Deck. At the ground level, cross at the intersection of Manning Drive and West Drive, then walk up West Drive to the entrance of Tarrson Hall.

**2. Patients with Americans with Disabilities Act (ADA) or mobility challenges should park in the Ambulatory Care Center (ACC) parking lot (*additional travel time*).**

The ACC shuttle will pick up in the ACC parking lot. Patients should tell the driver they are receiving treatment at the Adams School of Dentistry. The shuttle will drop off in the Koury Oral Health Sciences patient drop-off circle.

For pick up, patients should call (984) 974-0465 between 8 a.m.-5 p.m., Monday through Friday, or (984) 974-3686 after-hours and on weekends.

**3. Use the golf cart shuttle service via Dogwood Deck to UNC Hospitals (*additional travel time*).** Take the golf cart shuttle to the Cancer Hospital and board the ACC shuttle bus (estimated departure every 10-15 minutes).

Patients should tell the driver they are receiving treatment at the Adams School of Dentistry. The shuttle will drop off dental patients at the Koury Oral Health Sciences patient drop-off circle.

For pick up, patients should call (984) 974-0465 between 8 a.m.-5 p.m., Monday through Friday, or (984) 974-3686 after-hours and on weekends. The ACC shuttle bus will return and drop patients back off at the Cancer Hospital. Patients may then take the golf cart shuttle back to Dogwood Deck.

**4. Patients may valet park at UNC Cancer Hospitals *if space is available*.** The valet driver will drop them off in the Koury Oral Health Sciences patient drop-off circle. For pick up, patients should call the valet service at (984) 974-0465.
